AFFIDAVIT IN SUPPORT OF CRIMINAL COMPLAINT

I, Mark F. Marek, Special Agent, United States Secret Service, Houston, Texas, being duly sworn, depose and state the following:

1. I am a Special Agent of the United States Secret Service and have been so employed for twenty four years. I am currently assigned to the Houston Field Office, Houston, Texas. In this capacity, I have received extensive training and have experience in conducting investigations related to individuals or groups posing a threat to the President of the United States and other protectees of the United States Secret Service.

2. I respectfully submit this affidavit in support of a Criminal Complaint against Denise O'NEAL a.k.a. Teddy Bear PARADISE for violations of Title 18 United States Code, Section 871 (Threats against President and successors to the Presidency).

3. Title 18, United States Code, Section 871(a) provides that "Whoever knowingly and willfully makes deposits for conveyance in the mail or for delivery from any post office or by any letter carrier any letter, paper, writing, print, missive, or document containing any threat to take the life of, to kidnap, or to inflict, bodily harm upon the President of the United States, the President-elect, the Vice President or other officer next in the order of succession to the office of President of the United States, or the Vice President-elect, or knowingly and willfully otherwise makes any such threat" shall be punished by a fine or imprisoned not more than five years, or both.

4. On or about November 28, 2013, Denise O'NEAL a.k.a. Teddy Bear PARADISE, authored a hand written letter and mailed it to President of the United States Barack Obama

stating she was coming to Washington D.C. to murder him. The letter was postmarked November 29, 2013 and is attached to this affidavit.

5. On December 19, 2013, the United States Secret Service, Houston Field Office was advised of O'NEALS a.k.a PARADISES threat toward President Obama. Special Agent Alberto Trevino and I located and interviewed the subject at [REDACTED] regarding the threatening statement of traveling to Washington, D.C. to murder the President. When I asked O'NEAL aka PARADISE if she intended to do what she stated in the letter? ONEAL aka PARADISE stated "yes."

6. On December 19, 2013 I contacted the Houston Police Department Crisis Intervention Response Team (CIRT) to respond to our location to evaluate O'NEAL aka PARADISE as possibly being a danger to herself and others. The CIRT found that ONEAL a.k.a. PARADISE was a danger to herself and others, and transported to Ben Taub Hospital for treatment.

7. Based upon the forgoing facts, there is probable cause to believe that Denise O'NEAL a.k.a Teddy Bear PARADISE did knowingly and willfully threaten to take the life of the President of the United States, in violation of Title 18, United States Code, Section 871.

I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge and belief.

Dear President Shit And Garbage,  
AKA President Barack O'Bama,

My name is Teddy Bear Paradise.  
My social security number is 0  
[REDACTED]

My DOB is [REDACTED]

I am a female homosexual,  
a lesbian. I am not bisexual.  
I am not heterosexual.

I am coming to Washington, D.C.  
to murder you.

All I wanted to do was  
rent a home for myself. (over)

mp 12/19/13

(2)

## First, Social Security

Administration Headquarters in Baltimore, Maryland did not want me to have one penny to live on after God told them I am permanently physically and mentally

disabled. So God gave me SSI benefits SSA was supposed to give me. Now SSA is enraged at God and SSA is trying to terminate the SSI God gave me. Then landlords all over the U.S.A 50 states refuse to rent to me for reasons of their own.

Most demand that I move in for a roof over my head with one of their present tenants who is planning to rape me, who murdered me with the Aids disease and who are planning to murder my wife.

Some landlords in my home town, Durham, N.C. are demanding

(3)

that I move to New York City to work in Hollywood. All landlords are demanding that I lie to the Social Security Administration about my life, pocket my SSI money, let rapists support me in exchange for doing leather bottom for rapists for the roof over my head. The landlords are demanding the rapists agree to this also but almost all my rapists, both male and female ~~are~~ are married with spouses and have no where for me to live and they rape me, then throw me in the street in the bushes with no money for even food in 25° weather.

I do absolutely nothing to make men believe I want a man. I am very open and honest with men that I am a lesbian and that I despise men. I ain't got no man and I don't want no man. This entages men to try to rape me murder me and murder my wife.  
(over)

(4)

Men refuse to leave me alone. Just like lesbians trying to rape me, men know they gave me the Aids disease which is murder, they all know they put my Leukemia in

critical coma, vegetable stage where I am so sick

Sometimes I need a catheter to ~~use~~ use the toilet because I cannot get out of bed.

They also make my osteoarthritis in my knees and my eyesight critical at times.

My rapists are demanding of

God for God to give them my wife to murder. Only God knows where my wife is. I do not. And it's no one's business who my wife is. I love one woman I want to legally marry. She and I cannot be together because the world wants to murder my wife.

The world wants to murder

(5)

my wife because they are scared God will murder them and send them to Hell if my wife and I get together including police everywhere. Police and other people tried to frame me for crimes to force me to prison to be with an inmate they all know I don't want to be with and the inmate does not want to be with me. Then police, others, landlords, and Social Security Administration ~~are all trying to~~

in Asheville, N.C. tried to force me to a mental hospital to keep me hostage for reasons I don't deserve.

Employees both male and female at jails, prisons or ~~mental~~ psychiatric hospital

wards are also always trying to rape me, murder me and murder my wife. (over)

⑥ Bad people want to keep me from anyone I love.

Hospitals, doctors and medical personnel in U.S.A. including paramedics refuse me medical care.

I am refused narcotics for unbearable physical pain. I am refused walking canes, walkers, wheelchairs when I really need them. However doctors and hospitals illegally force drugs and medical treatments such as anti-biotics and other treatments on me, drugs and treatments and vaccinations, tests etc. that are useless and ineffective that my

(8)

was arrested in January 2009 to go to prison to protect me ~~from~~ <sup>from</sup> my former U.S. Probation Officer in Durham, N.C. named Karen Tremblay after I violated U.S. Probation twice, once in 2005, again in 2007 to get away from Karen and her supervisor Desdemona Faison.

Now instantly in 2013 me ~~at~~ free, Karen is still trying to rape me, murder me, murder my wife and is stalking me as always. She tried to frame my wife ~~for~~ <sup>for</sup> child porn on the internet God blocked. Karen is a habitual monster. She gets men to

(9)

rape women, murder people,  
burn down motels, hotels,  
apartments and any other  
heinous crime Karen is excited  
about organizing stupid men  
Karen despises and laughs at  
to do for, Karen as Karen jerks  
her puppets' strings up & down in  
more telephone scams just like  
all my female and male  
rapists do their own ~~tele~~  
telephone puppets.

God says men are a lot  
stupider than women.  
And God must be genius.  
I cannot get away from  
men. God says men stay  
married to wives so I'll (over)

(10)

Know I can have men.

Even rich men in Hollywood  
who think they can trick  
me to believe they'll let me  
have ~~food~~ to eat and clothes to  
wear after God says ~~the~~ men  
intend to rape me to do

leather bottom for men ~~and~~

while I have no money to  
live on and landlords won't  
rent to me and men  
let their wives have the  
money, food, home, car, clothes  
and everything else wives need  
and want while I get nothing  
~~and~~ but raped and thrown back  
into the 25° hungry bush  
with thugs. Or live at the  
homeless shelter with thugs  
running from police in shelters  
or living on the street.

Psychiatrists torture my  
brain with dangerous, evil  
drugs. Psychiatrists at Mission

(11)

Hospital in Asheville, North  
Carolina plan to kidnap me  
and rape me, murder me and  
murder my wife.

How do I get away from  
men and get them to leave  
me alone? How do I get  
away from Karen Tremblay and  
get her to leave me alone?

How do I get away from  
all my rapists and their telephone  
puppets, my employee rapists at  
jails and prisons, hospitals,  
drugs that torture my brain,  
and get these mentally  
infected criminals to leave  
(over)

(12)

my wife and me alone?

A lot of females are bad

but all males are genetically bad, nothing but shit, trash and garbage, rapists, murderers, any victim, little old women, little old men, any woman or man will do, any child will do, any animal.

President O'Bara, I don't know why you feel unique or think you can shock people. Even Louis Farrakhan admitted truth. Every white person in America knows to ~~be~~ be terrified of Black males. What we were ignorant about until God

(13)

educated females what God  
and animals already knew  
is that it wasn't only Black  
males. It's 100% all males all

racess and colors, ages, sizes  
all over the world, even white  
~~males~~ males. Females were stupid so  
long but God has made us smart. Males can  
never shock us again.  
Rape it and murder it is

a male's philosophy. Karen  
Tremblay, born Lassie Top,  
says she's felt like a male  
all her life so that's why  
she acts "just like one"

Rape it, murder it, steal it,  
slander it, frame it. Some of  
us females would never let a  
man control us like Karen  
lets her own dad control her (over)

(14)

Good females prefer  
controlling males and  
straight up, get off  
the top of us females,  
because we've never  
wanted to sexually serve  
nor sexually please any  
man. Sex with males  
is only an exchange for  
money call it marriage or  
call it prostitution:

I've never felt like a man  
or a boy so I have no  
idea how to understand  
why males never need nor  
desire love from anybody nor

(15)

from spouses or mates of any kind. A male never needs nor desires to sexually please someone it loves. I figure that's because males aren't capable of loving anyone but its self.

And we females wouldn't want a man to have a loving, sexually satisfying relationship anyway. The only thing males crave and need is to rape its victims and sexually control it.

Males are nothing but monsters and sissies who prey on the weak and the helpless. (over)

(16)

The whole world looks of Male shit  
and smell run by males. Males don't let  
females in Power because it might look clean.

Why do I have to  
let people rape me  
for a roof over my  
head when God gives me  
money to pay my own  
bills? Rape is not a  
bargain! Every rapist  
knows this. That's the  
point of rape!

And to mate with  
and live with anyone  
planning to rape me,  
murder me with Aids  
and Leukemia, and murder  
my wife sounds insane.  
God says no one is insane.
